Hi Jim

I just touched base with Julie and I am faxing back the first page with some revisions or additions. Julie also stated that you will need an agenda, at least something from the DEA on letterhead including the date and time of the training. Everything else appears to be fine.

Thanks

Gio

Hi Gio,

Do you have a fax number so I can send you our Travel Authorization Request, so you could check it out and see if there are any corrections to be made?
